In re US Patent : 7,428,260 :
Issue Date: September 23, 2008 :
Applicant/Patentee: YELLIN, Daniel : **ON PETITION**
Application No.: 10/697,853 :
Filing Date: October 30, 2003 :
Attorney Docket No. P16075 :

This is a decision in response to the Petition under 37 CFR 1.181, filed August 31, 2010, requesting "that the Power of Attorney granted by the Office on July 28, 2010 to CPA Global (59796) be revoked and restored to Marshall Gerstein & Borun LLP-Marvell (64768). No petition fee is required.

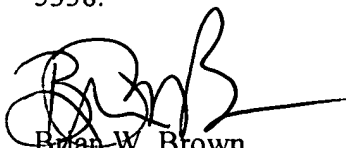

The petition is **GRANTED**.

A review of United States Patent and Trademark Office (USPTO) records, including the content of the official patented filed and recorded assignments, reveals that the USPTO erred in its acceptance of the third party Revocation and Power of Attorney Certificate under 37 CFR § 3.373(b)", filed July 15, 2010. As such, it is appropriate to grant the present petition.

The Notice of Acceptance of Power of Attorney and the Notice Regarding Change of Power of Attorney, both mailed contemporaneously on July 28, 2010 are hereby **VACATED**. The Power of Attorney to the attorneys and/or agents associated with Customer Number 64768 has been **RESTORED**. The correspondence address has likewise been restored to the address identified above.

The July 15, 2010 third party Revocation and Power of Attorney and the USPTO Notices of July 28, 2010 have each been closed, i.e., the document is no longer available to the public for inspection, which is the Image File Wrapper (IFW) equivalent to removal of a paper document from a paper file wrapper.
